FROM RelyOn Belgium BV on behalf of Bureau 9000 BV  
DATE 18/05/2026  
RE Bureau 9000 BV merged with RelyOn Belgium BV

To whom it may concern,

We're excited to let you know about our recent merger, which marks a new chapter for RelyOn and Bureau 9000. RelyOn acquired Bureau 9000 in August 2025 and both companies have decided to formally join forces by way of a merger, as a consequence of which Bureau 9000 was absorbed by RelyOn on 1 May 2026. Under the merger, all assets, liabilities, rights and obligations of Bureau 9000 will automatically be transferred to RelyOn Belgium.

We want to reassure you that this positive change will not affect the way we work together or our commitment to you. Our team and services remain as you know them, and your contract will continue as usual.

Please note that as of 1 May 2026 all contracts concluded by Bureau 9000 BV pre-dating the merger with your company and still ongoing will automatically be transferred to RelyOn, which will become your new contracting party. RelyOn's references are as follows:
